

Announcement of SHS Principal:

The Sherwood School District is thrilled to announce the new principal of Sherwood High School -- Dr. Carlos Sequeira. Carlos will begin July 1st 2011 and is truly humbled by the opportunity to lead our outstanding high school.

Carlos grew up in Nicaragua where he received his K-12 education at the American-International Academy. He holds a Bachelors degree from George Fox University, a Masters degree from Portland State and was awarded his Doctorate from the University of Oregon.

Carlos began his teaching career at Grant High School, where he taught Social Studies and World Languages (Spanish and French) for seven years. He then taught for West Linn High School for five years before accepting a one year Dean of Students position at Liberty High School. From 2007 to the present, Carlos has been serving as an Assistant Principal at Wilsonville High School. Throughout his career, he has been actively involved in Model United Nations Clubs, coaching soccer and tennis, and started a mentorship running program for youth that was recently sponsored by Nike.

Carlos is driven by passion to improve the lives of those around him by empowering them to become life-long learners. He is grateful for this opportunity and said that the Sherwood School District has turned his dream into a reality. Carlos is excited and honored to begin a new phase in his journey at Sherwood High School and is fully committed to giving his very best to the Sherwood community.

Carlos and his wife, Lisa, celebrated their 15th anniversary (on the day of his interview) and they have two daughters, ages 14 and 12 and a dog Tucker. Their family is extremely active and enjoys spending their free time biking, hiking and running.

Please join us in welcoming Carlos into the Sherwood family!
