Revised and Approved by the Board, 3/10/21

In case inclement weather or additional professional development requires the District to close schools or reduce student contact days during the 2020-2021 school year, in addition to Presidents' Day, June 21, 22, 23, 24 have been identified as days that could be added to the school calendar as make-up days. If these days were added back to the calendar, the high school graduation date would not be affected, and the Work Day would follow the make up days.
