This adjusted calendar will be taken to the board for approval in the February regular Board Meeting.
 Inclement weather prevented us from hosting students on January 16-19. Presidents Day was converted to an instructional day to make up one of the inclement weather days.
 In addition, the conclusion of Trimester 2 was moved from March 8 to March 14 with March 15 becoming a Teacher Work Day.
 In case inclement weather requires the District to further close schools during the 2023-2024 school year, June 14 and 17 have been identified as days that could be added to the school calendar.
 If these days were added back to the calendar, the high school graduation date would not be affected, and the Work Day would follow the make up days.
