Approved by Sherwood School Board at the February 9, 2026 regular Board Meeting

In case inclement weather requires the District to close schools during the 2026-2027 school year, in addition to Presidents' Day; June 16th has been identified as a day that could be added to the school calendar, as a make-up day. If this day is added back to the calendar, the high school graduation date would not be affected, and the Work Day would follow the make up days.
