Approved by Sherwood School Board at the February 9, 2026 regular Board Meeting. Updates approved by Sherwood School Board at the September 14, 2026 regular Board Meeting.

In case inclement weather requires the District to close schools during the 2026-2027 school year, in addition to Presidents' Day, June 16th has been identified as a day that could be added to the school calendar, as a make-up day. If this day is added back to the calendar, the high school graduation date would not be affected, and the Work Day would follow the make up days.
