

BOOKS & BRICKS

Youth Winter Reading

December 16, 2023–January 3, 2024

How It Works:

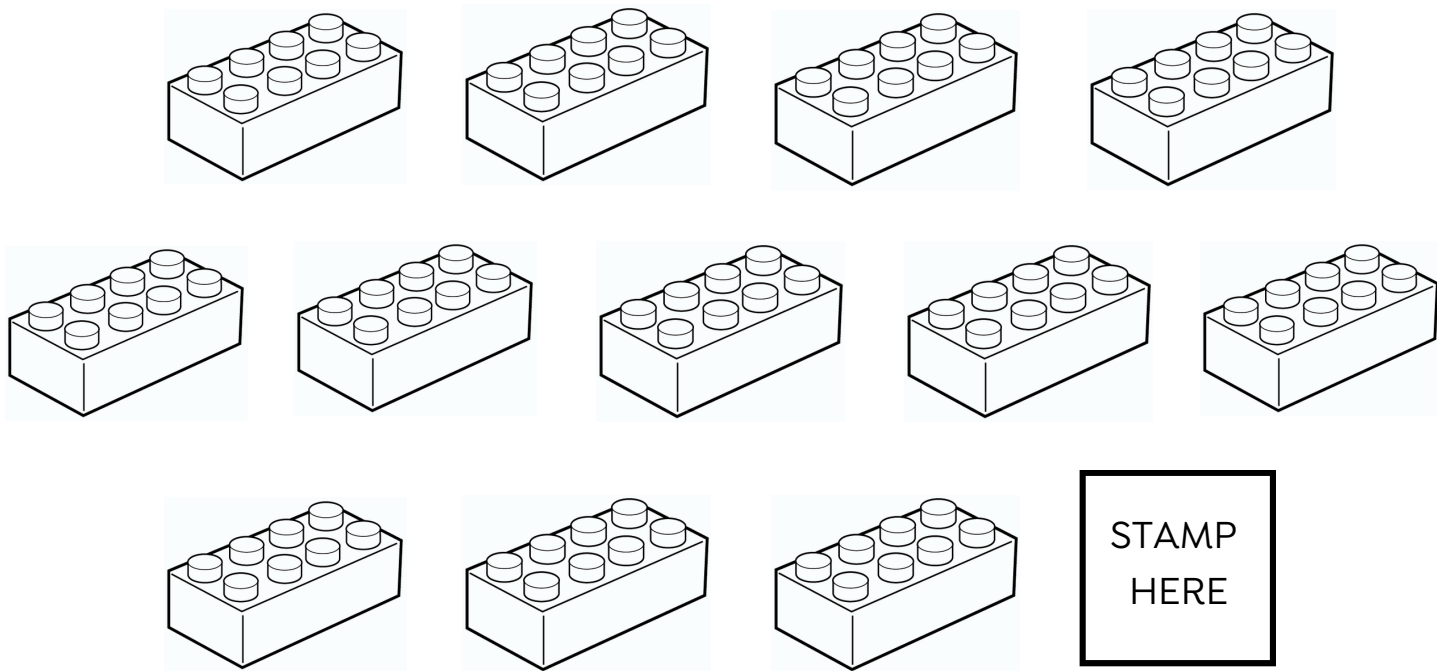

- 1** Read 20 minutes a day for 12 days during winter break for a chance to win prizes!
- 2** Keep track of your reading with this reading log during winter break, from Dec 16–Jan 3rd. Color in a LEGO® brick on the log each day that you read for 20 minutes or more.
- 3** Get your reading log stamped at Sherwood Public Library. This optional step enters you in an additional prize drawing!
- 4** Return your completed log to your Sherwood elementary school library by Tues, Jan 9th.

Prizes:

- Everyone who completes the challenge and submits this log to their school gets an extra school library checkout.
- Returning the log to your school library also enters you in a drawing to win a LEGO® kit.
- **Bonus level:** Getting your log stamped at the Sherwood Public Library enters you to win a LEGO® book with mini LEGO® kit.
- The school with the most participants will get a LEGO® book for their school library.
- Winners will be announced January 16th.

Color in a LEGO[®] brick for each day that you read for 20 minutes or more.
Read 12 days to finish the challenge. Visit Sherwood Public Library Dec 16th-Jan 3rd
to get your reading log stamped for a chance to win an extra prize!
